2025 DEPOSIT PRODUCTS AND FEES

First National Bank

This disclosure contains information about terms, service charges, and interest rates for the accounts we offer (fees could reduce earnings on your account). By reviewing this disclosure sheet, you can determine which First National Bank account applies to you.

SMART START CHECKING

Students 13-22 years old growing their banking knowledge & wealth. No Minimum balance to maintain and no monthly service charge.

Limitations: You must deposit \$50.00 to open this account.

1ST CLASS CLUB

Simple & easy no minimum balance everyday checking for all customers.

Limitations: You must deposit \$100.00 to open this account.

LIFESTYLE CHECKING

Rate Information: This Account is an interest-bearing account. The interest rate and annual percentage yield will depend upon the daily balance in the account as shown on the Rate Chart. The interest rate and annual percentage yield may change. At our discretion, we may change the interest rate on the account Daily. Interest begins to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks). Interest will be compounded monthly and will be credited to the account monthly.

Balance Information: We use the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal in the account each day. You must maintain a minimum balance of \$0.01 in the account each day to obtain the disclosed annual percentage yield.

Limitations: You must deposit \$100.00 to open this account.

Account Fees: \$15.00 per month: (fee charged monthly when relationship below \$25,000.00) This service charge will be waived by maintaining a minimum \$25,000.00 total deposit and loan relationships including checking, savings, money market, certificate of deposit, consumer, residential, agricultural or commercial loans held in the account-holder's personal name.

SIMPLE INTEREST

Earn a competitive rate of interest. Unlimited check writing privileges, monthly interest and tiered rates to reward you for keeping higher balances. There is no monthly service charge when you maintain a minimum balance.

Rate Information: This Account is an interest-bearing account. The interest rate and annual percentage yield will depend upon the daily balance in the account as shown on the Rate Chart. The interest rate and annual percentage yield may change. At our discretion, we may change the interest rate on the account daily. Interest begins to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks). Interest will be compounded monthly and will be credited to the account monthly.

Balance Information: We use the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal in the account each day. You must maintain a minimum balance of \$1,500.00 in the account each day to obtain the disclosed annual percentage yield.

Limitations: You must deposit \$100.00 to open this account.

Account Fees: \$8.00 service charge if the minimum balance falls below \$1,500.00 at any time during the monthly statement cycle.

FNB PREMIER II MONEY MARKET

Enjoy the features of an interest-bearing savings account and check writing privileges with our FNB Premier II Money Market Account. The more you save the more you earn, because the rates are tiered to reward higher balances.

Rate Information: This Account is an interest-bearing account. The interest rate and annual percentage yield will depend upon the daily balance in the account as shown on the Rate Chart. The interest rate and annual percentage yield may change. At our discretion, we may change the interest rate on the account daily. Interest begins to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks). Interest will be compounded monthly and will be credited to the account monthly.

Balance Information: We use the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal in the account each day. You must maintain a minimum balance of \$1,000.00 in the account each day to obtain the disclosed annual percentage yield.

Limitations: You must deposit \$2,500.00 to open this account. You may not deposit more than \$3,000,000.00 to this account.

Account Fees: Service charge fee of \$19.00 and .45 cents per debit if the minimum balance falls below \$1,000.00 at any time during the monthly statement cycle. The first six withdrawals per statement cycle are free, additional withdrawals \$3.00 service charge/each.

60 MONTH CERTIFICATE OF DEPOSIT

Rate Information: This Account is an interest-bearing account. The interest rate and annual percentage yield are included in the Rate Chart. The interest rate and annual percentage yield will not change for the term of the account. The interest rate will be in effect for 60 months. Interest begins to accrue on the business day you deposit noncash items (for example, checks). Interest will be compounded semi-annually and will be credited semi-annually. We will mail the interest in a check to you or deposit the interest in an account that you designate. The annual percentage yield assumes interest will remain on deposit until maturity. A withdrawal will reduce earnings.

Balance Information: We use the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal in the account each day. You must maintain a minimum balance of \$1,000.00 in the account each day to obtain the disclosed annual percentage yield.

Limitations: You must deposit \$1,000.00 to open this account. You may not make additional deposits into this account. You may not make withdrawals from your account until the maturity date.

Time Account Information: Your account will mature in 60 months. If you withdraw any of the principal before the maturity date, we may impose a penalty of 12 months interest plus 2% of the principal balance. This account will automatically renew. You will have 10 calendar days after the maturity date to withdraw funds without penalty. If you do not withdraw the funds, each renewal term will be for an identical period of time as the original term.

48 MONTH CERTIFICATE OF DEPOSIT

Rate Information: This Account is an interest-bearing account. The interest rate and annual percentage yield are included in the Rate Chart. The interest rate and annual percentage yield will not change for the term of the account. The interest rate will be in effect for 48 months. Interest begins to accrue on the business day you deposit noncash items (for example, checks). Interest will be compounded semi-annually and will be credited semi-annually. We will mail the interest in a check to you or deposit the interest in an account that you designate. The annual percentage yield assumes interest will remain on deposit until maturity. A withdrawal will reduce earnings.

Balance Information: We use the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal in the account each day. You must maintain a minimum balance of \$1,000.00 in the account each day to obtain the disclosed annual percentage yield.

Limitations: You must deposit \$1,000.00 to open this account. You may not make additional deposits into this account. You may not make withdrawals from your account until the maturity date.

Time Account Information: Your account will mature in 48 months. If you withdraw any of the principal before the maturity date, we may impose a penalty of 12 months interest plus 2% of the principal balance. This account will automatically renew. You will have 10 calendar days after the maturity date to withdraw funds without penalty. If you do not withdraw the funds, each renewal term will be for an identical period of time as the original term.

36 MONTH CERTIFICATE OF DEPOSIT

Rate Information: This Account is an interest-bearing account. The interest rate and annual percentage yield are included in the Rate Chart. The interest rate and annual percentage yield will not change for the term of the account. The interest rate will be in effect for 36 months. Interest begins to accrue on the business day you deposit noncash items (for example, checks). Interest will be compounded semi-annually and will be credited semi-annually. We will mail the interest in a check to you or deposit the interest in an account that you designate. The annual percentage yield assumes interest will remain on deposit until maturity. A withdrawal will reduce earnings.

Balance Information: We use the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal in the account each day. You must maintain a minimum balance of \$1,000.00 in the account each day to obtain the disclosed annual percentage yield.

Limitations: You must deposit \$1,000.00 to open this account. You may not make additional deposits into this account. You may not make withdrawals from your account until the maturity date.

Time Account Information: Your account will mature in 36 months. If you withdraw any of the principal before the maturity date, we may impose a penalty of 12 months interest plus 2% of the principal balance. This account will automatically renew. You will have 10 calendar days after the

maturity date to withdraw funds without penalty. If you do not withdraw the funds, each renewal term will be for an identical period of time as the original term.

30 MONTH CERTIFICATE OF DEPOSIT

Rate Information: This Account is an interest-bearing account. The interest rate and annual percentage yield are included in the Rate Chart. The interest rate and annual percentage yield will not change for the term of the account. The interest rate will be in effect for 30 months. Interest begins to accrue on the business day you deposit noncash items (for example, checks). Interest will be compounded semi-annually and will be credited semi-annually. We will mail the interest in a check to you or deposit the interest in an account that you designate. The annual percentage yield assumes interest will remain on deposit until maturity. A withdrawal will reduce earnings.

Balance Information: We use the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal in the account each day. You must maintain a minimum balance of \$1,000.00 in the account each day to obtain the disclosed annual percentage yield.

Limitations: You must deposit \$1,000.00 to open this account. You may not make additional deposits into this account. You may not make withdrawals from your account until the maturity date.

Time Account Information: Your account will mature in 30 months. If you withdraw any of the principal before the maturity date, we may impose a penalty of 12 months interest plus 2% of principal balance. This account will automatically renew. You will have 10 calendar days after the maturity date to withdraw funds without penalty. If you do not withdraw the funds, each renewal term will be for an identical period of time as the original term.

24 MONTH CERTIFICATE OF DEPOSIT

Rate Information: This Account is an interest-bearing account. The interest rate and annual percentage yield are included in the Rate Chart. The interest rate and annual percentage yield will not change for the term of the account. The interest rate will be in effect for 24 months. Interest begins to accrue on the business day you deposit noncash items (for example, checks). Interest will be compounded semi-annually and will be credited semi-annually. We will mail the interest in a check to you or deposit the interest in an account that you designate. The annual percentage yield assumes interest will remain on deposit until maturity. A withdrawal will reduce earnings.

Balance Information: We use the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal in the account each day. You must maintain a minimum balance of \$1,000.00 in the account each day to obtain the disclosed annual percentage yield.

Limitations: You must deposit \$1,000.00 to open this account. You may not make additional deposits into this account. You may not make withdrawals from your account until the maturity date.

Time Account Information: Your account will mature in 24 months. If you withdraw any of the principal before the maturity date, we may impose a penalty of 12 months interest plus 2% of the principal balance. This account will automatically renew. You will have 10 calendar days after the maturity date to withdraw funds without penalty. If you do not withdraw the funds, each renewal term will be for an identical period of time as the original term.
